Company Information

About Us

Supplies Plus is Southwest Florida's foremost supplier of automotive paint and finishing products, offering the industry's most competitive and service oriented choice for formulated matched color solutions and associated products to the Collision Repair, Heavy Equipment, Industrial and Sign Industries.

Supplies Plus stocks popular paint brands including Valspar, Debeer, Matrix as well as having exclusive rights to the Unleashed, Pro-Mix brand of paints. These products offer competitive prices, coupled with Supplies Plus unmatched same-day delivery. These trusted products and services have propelled this 25 year old company to one of the leading automotive paint suppliers in the region.

Locations

Supplies Plus has 4 locations on Florida's Southwest Coast. Web orders may be placed by phone, e-mail or online at www.SuppliesPlus.com. **Orders ship within 1-2 business days from our Headquarter/Warehouse in Fort Myers, Florida.**

Return and Exchange or Policy:

At Supplies Plus, we strive to make your purchasing experience as pleasant and easy as possible, and that includes making it easy for you to return or exchange a product with us. We ask only that you follow these simple procedures: The returned merchandise must be new, complete and in its original packaging. **Hazmat items cannot be returned.** We cannot issue a refund for any product that is returned to us that has been used or altered, or has any missing parts or packaging. The return must be made within 30 days of receipt of your order. You must e-mail us at info@supplies-plus.com or simply call us at 239-314-7874 and we'll assist you with your return or exchange.

ProMix Paint System by Unleashed

The ProMix System is designed to achieve consistent world-class color match quickly and easily across multiple technologies all from one mixing bank.

The ProMix System offers:

- Superior coverage and color accuracy
- Mixing Bank placement programs
- High performance toners and pearls

ProMix System by Unleashed delivers the performance you can depend on, along with our team who are here to provide the expert technical know-how and customer service you trust and value. Our reputation for quality is built upon our comprehensive offering of superior ClearCoats, primers, activators and reducers - and everything works within the ProMix System.

The ProMix line of low VOC basecoats provide superior coverage and exceptional color match, high performance toners and pearls, binders and coordinated color tools and proprietary formula retrieval software. Prices vary per size and color selection.
